 Fargo, ND 58104
 www.thedoorstud.com

Since 2017 Door Stud, LLC has provided door handling and installation products to the trades globally. We are a Self-Certified Veteran Owned Small Business (VOSB) based in Fargo, ND.

Door Stud LLC provides a tool that revolutionizes how doors are handled and installed by both the commercial and residential trades. If you need to move, handle or install doors, Door Studs are cost effective and a time efficient tool. They are created from the highest quality materials and are designed to be worry-free, rugged and are expected to withstand the most demanding work environments. Tools you can trust.

All products are tried and tested by industry professionals including:

- This Old House
- Stabila
- Risingerbuild
- Finehome Building
- PneumaticAddict
- Anderson Lock Company
- VCG Construction

Products:

- Over 100 years of Engineering Experience
- Simple, intuitive and easy to use
- Saves time and money
- Quick ROI

TRADITIONAL INSTALLATION	vs.	WITH THE USE OF DOOR STUD
	✗	Single person, hands-free door installation 
	✗	Prevents damage to walls and the door 
<i>Installer at risk for injury</i> 		 Supported door protects installer
<i>Typical 2-person installation</i> 		 1-person install (reduced typical labor by 60%+)
<i>Variables impact install experience and results</i> 		 Delivers a consistent and quality installation experience time after time
